ed Spirits, Headache, Dizziness, Constipa-  
tion and Nerve and Aque, it has in  
proved highly beneficial, and in others  
of cure.

It is a highly vegetable compound, prepared  
on scientific principles, after the manner of  
the Holland Professor, Buchner.

It is sold in all the principal States, I  
to into the United States was intended  
for those of our fatherland scattered  
over the face of the globe, and I  
among them, I now offer  
to the public, knowing that its truly wonder-  
ful merits will be acknowledged.

It has been recommended to these persons  
and may have been impaired by the  
of accident evils, or other means of disease,  
to the way to

thrilling and quickening every nerve, en-  
 reepling spirit, and, in fact, infusing new life  
 into the system.

**CAUTION.**—Whoever expects to find in this a  
 cure so disappointed; but to the sick, the weak,  
 it will prove a most beneficial and cordial,  
 regular remedial properties.
